

The ordering process is similar to other commercial sites. You will find below a step by step description of the process.

1 - Registration and Identification

To order it is **necessary to be registered and logged** on the site.

2 - Choice of products

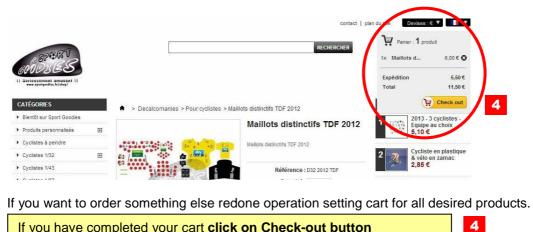

Select the product you want to order and sailing in different categories. Small cross on the side s of the categories indicate the presence of sub-categories.

When you are on a product page :

		RECHERCHER		
CATÉCORIES	 > Decalcomanies > Pour cyclistes > Mail Comparing the second second		You can change the quantity of products requested by typing it (default is 1). Just below you will find information about the stock and the quantity in stock. If a product is not in stock, the approximate time of replenishment is shown. You can of course order. If unfortunately the product can not be replenished, you will be notified by email and refunded if necessary. If a product has no price, is that it is not available for sale. Either it is a permanently exhausted reference (if the categories collections), or it is a custom product made on request. If this interests you, contact us: mailto: mailto:contact@sportgoodies.fr	:

C- If you have chosen the payment method by Paypal or Credit Card : You'll be sent to Sport Goodies' Payapal page :

Paypal is a secure payment system. The information of your PayPal account or your credit card are not stored at Sport Goodies. They are at Paypal following an encryption system similar to any card transaction system.

7 - Important Note

Sport Goodies does not accept payment method by phone. Sport Goodies does not have any credit card payment terminal. Tht's why you're sent to Paypal. These two options are not available as far as our monthly sales are not sufficient yet.

If you have any issue or question please contatc us mailto:contact@sportgoodies.fr
